Index to 1990 volume

Authors and titles

Afforestation around reservoirs: a case study of the Derwent Valley Water Board, 1936–1973 (Essex), 111–124

Agu, A. N., *see* Jeje, L. K.

Antarctica: a new tourist destination (Wace), 327–341

Antarctica enters the 1990s: an overview (Beck), 247–263

Assessment of the potential application of the Transfer of Knowledge Through Expatriate Nationals (TOKTEN) programme in sub-Saharan Africa (Logan), 223–236

Beck, P. J., Antarctica enters the 1990s: an overview, 247–263

Beck, P. J., Regulating one of the last tourism frontiers: Antarctica, 343–356

Briggs, D. J. and Wickramasinghe, A., Modelling forest growth–environment relationships: theory and applications, 187–204

Bryan, R. B., *see* Sutherland, R. A.

Campbell, B. L., *see* Loughran, R. J.

Charlton, C., *see* Gibb, R.

Child, J., 'Latin *lebensraum*': the geopolitics of Ibero-American Antarctica, 287–305

de Jong, E., *see* Sutherland, R. A.

Determination of the rate of sheet erosion on grazing land using caesium-137 (Loughran *et al.*), 125–133

Elliott, G. L., *see* Loughran, R. J.

Essex, S. J., Afforestation around reservoirs: a case study of the Derwent Valley Water Board, 1936–1973, 111–124

Essex, S. J., *see* Gibb, R.

Estimation of sediment redistribution within agricultural fields using caesium-137, Crystal Springs, Saskatchewan, Canada (Sutherland and de Jong), 205–221

Exploring a knowledge-based procedure for developmental suitability analysis (Lein), 171–186

Gibb, R., Essex, S. and Charlton, C., The impact of the Channel Tunnel rail link on Devon and Cornwall, 43–61

Impact of the Channel Tunnel rail link on Devon and Cornwall (Gibb *et al.*), 43–61

Jeje, L. K. and Agu, A. N., Runoff from bounded plots in Alakowe, southwestern Nigeria, 63–74

Joyner, C. C., Maritime zones in the Southern Ocean: problems concerning the correspondence of natural and legal maritime zones, 307–325

'Latin *lebensraum*': the geopolitics of Ibero-American Antarctica (Child), 287–305

Lein, J. K., Exploring a knowledge-based procedure for developmental suitability analysis, 171–186

Logan, B., An assessment of the potential application of the Transfer of Knowledge Through Expatriate Nationals (TOKTEN) programme in sub-Saharan Africa, 223–236

Loughran, R. J., Campbell, B. L., Elliott, G. L. and Shelly, D. J., Determination of the rate of sheet erosion on grazing land using caesium-137, 125–133

Maritime zones in the Southern Ocean: problems concerning the correspondence of natural and legal maritime zones (Joyner), 307–325

Modelling forest growth–environment relationships: theory and applications (Briggs and Wickramasinghe), 187–204

Morris, E. M., *see* Walton, D. W. H.

Obermeyer, N. J., Regional equity in turbulent times: the experience of the regional transportation authority in northeastern Illinois, 147–161

Political and administrative constraints on integrated river basin development: an evaluation of the Tana and Athi Rivers Development Authority (Rowntree), 19–41

Problems of land use planning in the communal areas of Zimbabwe: a case study of Gutu District, Masvingo Province (Sibanda), 135–146

Regional equity in turbulent times: the experience of the regional transportation authority in northeastern Illinois (Obermeyer), 147–161

Regulating one of the last tourism frontiers: Antarctica (Beck), 343–356

Rowntree, K., Political and administrative constraints on integrated river basin development: an evaluation of the Tana and Athi Rivers Development Authority, 19–41

Runoff and erosion from a small semiarid catchment, Baringo District, Kenya (Sutherland and Bryan), 91–109

Runoff from bounded plots in Alakowe, southwestern Nigeria (Jeje and Agu), 63–74
Science, environment and resources in Antarctica (Walton and Morris), 265–286
Shelly, D. J., *see* Loughran, R. J.
Sibanda, H. M., Problems of land use planning in the communal areas of Zimbabwe: a case study of Gutu District, Masvingo Province, 135–146
Smith, D. I., The worthwhileness of dam failure mitigation: an Australian example, 5–19
Sutherland, R. A. and Bryan, R. B., Runoff and erosion from a small semiarid catchment, Baringo District, Kenya, 91–109
Sutherland, R. A. and de Jong, E., Estimation of sediment redistribution within agricultural fields using caesium-137, Crystal Springs, Saskatchewan, Canada, 205–221
Wace, N., Antarctica: a new tourist destination, 327–341
Walton, D. W. H. and Morris, E. M., Science, environment and resources in Antarctica, 265–286
Wickramasinghe, A., *see* Briggs, D. J.
Worthwhileness of dam failure mitigation: an Australian example (Smith), 5–19
